SANJEEV BHAWRA

Aspiring DevOps Engineer

Hi, I'm Sanjeev Bhawra, a dedicated and aspiring DevOps engineer currently pursuing my B.Tech in Computer Science. With a strong foundation in full-stack development and a knack for creating seamless web applications, I've built projects ranging from a virtual assistant to a real-time chat app. My passion for technology, coupled with my persistence despite challenges, drives me to innovate and excel. I'm eager to contribute my skills in HTML, CSS, JavaScript, Node.js, and more. Let's connect and create something amazing together!
